

May 2011

Dear Cedar Park Member:

Welcome to Cedar Park Heights Pool for the 2011 season. Once again, we will be offering a full program of activities to our members. An outstanding staff of qualified coaches and lifeguards have been hired to ensure that you will have another enjoyable, exciting summer at Cedar.

Our website address is: www.cedarparkpool.ca. We encourage you to visit it now and throughout the summer regarding news about events and activities.

The Pool Committee will be using e-mail again this year as our main form of communication to all members so please advise us if there are any changes to your e-mail address by contacting the registrar at registrar@cedarparkpool.ca. We will issue the receipts for the child fitness tax credits by e-mail.

Steps for 2011 registration:

- 1) Print the registration form that is attached to this e-mail and bring it to the Pool during our **Pre-Registration Day at the POOL on Saturday June 4th, from 10:00 am to 2:00 pm**. Come and learn more about our programs (swimming, water polo, diving, synchronized swimming, and others) from our volunteers and staff.
OR
- 2) Bring your forms on **Opening Weekend, Saturday June 11th and Sunday June 12th from 2:00 pm to 8:00 pm**. You may also register after this date at the pool, please see the Manager or Assistant Manager at the guards office.
OR
- 3) Drop your forms at the home of our registrar, Catherine Battershill, 368 Duke of Kent Avenue in Pointe Claire, 514-694-3722.

Guests and friends are invited to swim at no charge for the two pre-season weekends (June 11&12 and 18&19). We encourage you to invite potential new members to come and have a free swim at Cedar.

Bring in a new member and qualify for a \$10 gift certificate at the canteen!

We look forward to seeing you for another fun summer at Cedar Park Heights Pool. As you know, the organisation and the success of the pool's activities rely on the members' commitment and support as volunteers for our many activities. We encourage you to consider the volunteer section of the Registration form and see what might interest you. Any contribution you can make, large or small is greatly appreciated.
